MOUNT HOPE LEADERSHIP SCHOOL

ABOUT US

Our Mission

The mission of Mount Hope Leadership School is part of the overall mission of Mount Hope Church to make disciples who are healthy, growing, and full of love.

Our Vision

Our vision for Mount Hope Leadership School is to educate, mentor, and equip leaders who will be tomorrow's problem solvers, culture shifters, and world changers.

Our Values

We Believe That:

- Without prayer, all our labor is in vain. With God, all things are possible. (Ps. 127:1)
- Believers are meant to walk in a loving relationship with our heavenly Father and with each other. (Mk.12:30-31; 1 John 3:1)
- Healthy relationships are a catalyst for spiritual growth and transformation. (Acts 2:42; Pr. 27:17)
- Lost people matter to God and to us. (Luke 6:31-32; Matt.28:19)
- Every member is a minister. Each member of the body is responsible to help the others grow. (1 Cor. 12:7, 27; Eph. 4:16)
- If we build the people, God will build the church. (Eph. 4:12, 16)
- Believers are meant to walk in supernatural power. (Mk. 16:17, 20; Acts 1:8; John. 14:12)
- Excellence and going the extra mile honors God and inspires others. (Mt. 5:41; 1 Kings 10:1-5)

Our Campus

Mount Hope Leadership School is located on the campus of Mount Hope Church, an established growing church family affiliated with the Assemblies of God, located in Michigan's capitol city, Lansing. The 60+ acre campus supports a 160,000 sq. foot facility that includes a 2,300-seat sanctuary, 400-seat chapel, large Event Center for youth ministry, spacious children's ministry, a Global Prayer Center, and Leadership School classrooms. The campus also has a separate facility—Gilead Healing Center—for health and healing ministries, and a beautiful prayer and thanksgiving garden called, Valley of Blessing.

Our Rich History of Training and Equipping Leaders

In 1982, Mount Hope Church established Mount Hope Bible Training Center to offer courses from Berean College to prepare men and women for credentials with the Assemblies of God. From the Bible Training Center to a fully accredited and state licensed proprietary school, we've graduated hundreds of leaders from either a one-year or two-year program. Many of them have planted churches, pastored or currently pastor in lead or support roles, become missionaries, evangelists, entrepreneurs, authors, and successful leaders within their churches and communities. As a leadership training center, Mount Hope Church has a rich, proven history of developing leaders who impact the world.

Global University was established in 2000 by combining International Correspondence Institute (ICI) and Berean School of the Bible, both accredited Assemblies of God ministries that were making disciples and preparing ministers through correspondence education. Accredited by The Higher Learning Commission in 2010, Global University offers both undergraduate and graduate degree programs via correspondence courses. They have an overall graduation rate of 80%, which is 23% higher than the average graduation rate for public universities in America, and 94% of their students report being satisfied with their education. Over 85% of their graduates remain involved in ministry, either full or part time, 5 years after graduation.

Mount Hope Leadership School, as a Study Center for Global University, continues its rewarding history of training students for ministry since the inception of Mount Hope Bible Training Center in 1982. The school operates under the governance of the official board of Mount Hope Church, 202 S. Creyts Road, Lansing, Michigan 48917. The day-to-day oversight of the school is carried out by the Academic and Administrative Dean.

Our Philosophy of Education

We recognize certain principles that determine our approach to training and preparing God's people.

1. The Bible is the inspired Word of God; therefore, Scripture is the basis for all our teaching
2. Because academic training alone will not adequately equip anyone for the ministry, we combine biblical studies with the practical hands-on training necessary to help students be successful in their ministry.
3. God has given each of His people certain gifts that must be identified, developed, and used in actual ministry. Emphasis is placed upon helping students find the purpose God has for them.
4. We emphasize proven principles to help each Christian function most effectively and productively in ministry.
5. While we recognize the value of Christian post-secondary institutions for higher learning and ministry enhancement, we believe the local church is ordained by God to be the primary training base for preparing ministers.
6. The vast majority of the world's traditional educational system tells students what to think. At Mount Hope Leadership School, we aim to help students hear from God, partner with the Holy Spirit, and make sound moral, ethical, and practical decisions based on God's Word.

Our Doctrine

1. The Bible is the verbally inspired Word of God, and infallible.
2. The one true God is eternally existent in three persons: the Father, Jesus Christ the Son, and the Holy Spirit.
3. Jesus Christ was born of a virgin, lived a sinless life, performed miracles, died a substitutionary death, was resurrected bodily from the dead, and was exalted to the right hand of God.
4. Man, though created good and upright, voluntarily fell, and thereby incurred physical death and spiritual death (separation from God).
5. Man's only hope of redemption is through the blood of Jesus Christ, and can be saved by grace through faith and repentance, and receive the gift of eternal life.
6. The ordinances of the church include baptism by immersion in water and Holy Communion.
7. All believers are entitled to and should expectantly seek the baptism in the Holy Spirit.
8. The initial, physical evidence of the baptism in the Holy Spirit is speaking in unknown tongues (or languages).
9. Sanctification is an act of separation from that which is evil, and of dedication unto God for a life of holiness.
10. The church is to be an agency of God for evangelizing the world, a corporate body in which many may worship God, and a channel of God's purpose to build a body of saints being perfected in the image of His Son.
11. God leads the church through divinely called and scripturally ordained ministers in order to fulfill the purpose of the church.
12. Divine healing is an integral part of the Gospel, is provided for in the atonement, and is the privilege of all believers.
13. The resurrection of dead Christians, joined by those Christians still alive, unto the coming of the Lord is the imminent and blessed hope of the church.
14. The Rapture of the Church is followed by the visible return of Christ with His saints to reign on the earth one thousand years.
15. There will be a final judgment of the wicked, according to their works. Those whose names are not found written in the Book of Life will be consigned to everlasting punishment.
16. We look for new heavens and a new earth wherein is righteousness.

Instructors

Classes and Seminars will be taught by instructors who have proven aptitude and experience in the subject matter and have been approved by the Dean.

Facilitators

Berean classes will be overseen by an approved and qualified facilitator in the subject matter being studied. During the class time, your facilitator will highlight course content, expound on the topic being studied, and help with your questions, but completion of the Berean textbook in preparation for the Berean final exam, along with the Service Learning Requirement will be your responsibility. Completing the Test Yourself and Unit Progress Evaluations are strongly recommended as a tool for study for your final exam and in many cases will be part of your final grade for the class.

Coaches

Every successful athlete, artist, business person, etc has someone who consistently coaches them. You and 2-3 other students will be provided a Coach to encourage, inspire, challenge, provide feedback, and help you navigate the challenges and changes that come with leadership training. You are in Mount Hope Leadership School because people believe in you and desire to help develop the leadership potential within you. A coach will support you in a meaningful and tangible way, but the responsibility for growth and transformation is your responsibility.

MOUNT HOPE LEADERSHIP SCHOOL

OUR POLICIES

Academic Policies

Registration

Students may register three convenient ways:

By Mail: Mount Hope Leadership School
Attn: Administrator
202 S. Creyts Road
Lansing, MI 48917-9284

In Person: In the Administrative Office
Monday – Friday, 9:00 a.m. to 5:00 p.m.

Online: www.mounthopechurch.org/mhls

Students are expected to register during the official period (see page 16) and pay tuition in full or follow the payment schedule mentioned in the finance section of this catalog (see pages 19-20). Those failing to do so, will be subject to late fees. No student is permitted to enroll in any course after the second class session.

Attendance Policy

Consistent attendance is required in all classes. We do not expect you to be absent for two reasons:

1. You are here for training, using money God has provided specifically for that purpose. As a good steward, you will want to be in every class.
2. Each course is literally packed with information, building “line upon line, precept upon precept.” Consistent attendance, therefore, is vital to getting the most out of each course.

The attendance policy upheld in all courses is as follows:

Each student is expected to be prompt and attend all class sessions. A maximum of 3 absences are allowed *per term*, and no more than 1 absence in *any one class*. Each absence thereafter, unless due to an extreme emergency, will lower the student’s grade one full point. A call to the Administrative Office is required during emergency situations for the absence to be accepted.

Tardiness: As soon as the classroom doors are closed, class has begun. If you are not in the classroom, the student will be marked tardy and 2 tardies equal 1 absence.

NOTE: If any class is missed, the student is responsible for any make up assignments the instructor should require. Also, acquiring notes from other students for the class session missed is the sole responsibility of the student.

Grading Informaton

Grade Point Average (GPA)	Letter Grade	Equivalent Percentile	Performance Level
4.0	A	95-100	Exceptional
3.5	B+	89-94	Excellent
3.0	B	83-88	Above Average
2.5	C+	77-83	Good
2.0	C	71-76	Average
1.5	D+	65-70	Below Average
1.0	D	59-64	Very Poor
0.0	F	0-58	Unacceptable/Failing

Special Designations

Incomplete (I)

All students receive a grade at the end of each term, so an incomplete or "I" grade would be assigned when a student does satisfactory work, has completed more than half of the course, and due to extreme circumstances (such as a death or severe illness) is unable to complete the course. Another possible reason for an incomplete grade is if a course extends beyond a term's end date. Temporarily the student will receive an "I" grade, which will be changed to the final grade when the course is complete.

When the "I" grade is given due to extreme circumstances, it can be removed from the student's record by repeating the course or by satisfying the arrangements made with the instructor. For instance, if a student has excellent class standing but is unable to take the final exam as scheduled, the instructor may grant a short extension. The student should take the exam within the extension period and submit it to the instructor, who will grade it and submit the final grade to the Mount Hope Leadership School office to remove the interim incomplete grade. However, at the end of one month, any impending "I" grade will automatically change to an "F" if the course is not completed.

Withdrawal (W)

Students who desire to withdraw from Mount Hope Leadership School need to first meet with the Academic Dean. After counsel with the Dean, the student must submit a letter requesting withdrawal. The letter will need to include the reason(s) for withdrawal and the date the withdrawal is taking place. Any refunds due the student will be determined by the date the letter is received in the Administrative Office, not the date the student withdrew. Refunds will not be returned to the student without the notification letter to withdraw. (See page 20 regarding refunds.)

Deadlines

Deadlines help develop discipline and responsibility—two “tools of the trade” for anyone desiring to be successful in life. So, *the last day of class is the last day of class*. You *must* have all homework and exams completed and turned in to your instructor(s) on or before that day. Any assignments not turned in by the last day of class will receive a grade of zero. In the event of a life or death emergency where you are unable to attend the last day of class, you must contact the Administrative Office. If no contact is made, no final exam or coursework extension will be allowed. Any make up work should be arranged with your instructor(s).

Student Records

Students are requested to keep the Administrative Office current on all personal information, i.e.: current address, phone number, marital status, etc. This can be done by changing the information on their student profile in the Student Portal or calling the Administrative Office. To protect the student’s rights to privacy, a written statement will be required from the student before the Leadership School will release student information (in either verbal or written form) to anyone other than the student.

Academic Probation/Alert/Restriction

Students who fail to maintain a cumulative GPA of 2.0 or higher will be placed on *Academic Probation*. This academic status will be indicated on the student’s grade report at term’s end. No meeting with the Dean is required. The designation can be removed from the student’s record by raising his/her cumulative GPA above 2.0 the following term.

Students who fail to maintain a cumulative GPA for more than one term will be placed on *Academic Alert*. A reduced academic load is required. The student must meet with the Dean to discuss a reduction of academic load and other possible solutions. Students who make satisfactory academic progress the following term will move to Academic Probation.

A student who fails to show satisfactory academic progress while on Academic Alert will be placed on *Academic Restriction*. Permission to register while on Academic Restriction will be granted by the Dean on an individual, term-by-term basis. Should a student be asked to leave the program for academic reasons, they may re-apply if they can supply sufficient evidence to the Dean that improved academic performance can be expected.

Honor Code

Principles of truth and honesty are foundational to any Christian community but particularly to a school of ministry preparation. All academic work will be done by the student to whom it is assigned. Students are specifically advised to avoid lying, cheating, and/or plagiarism. Substantiated cases will be handled as follows:

The instructor may give a failing grade to the student for the assignment or the course, whichever the instructor deems appropriate.

Failing the Assignment: The failing grade will be calculated into the student's final grade for the course.

Failing the Course: The instructor will notify the Administrator in writing. The written documentation will be placed in the student's file followed by a verbal warning to the student from the Administrator. Further violations of the Honor Code will result in immediate expulsion from Mount Hope Leadership School.

NOTE: Students may appeal a judgment through the Student Appeals process. (See page 26).

Student Discipline:

Mount Hope Leadership School students are expected to live in a manner that will, at all times, display good morals and strong Christian character. All leadership students are expected to refrain from use of tobacco, intoxicants (including beer and/or wine), and habit-forming or illegal drugs. The administration of Mount Hope Leadership School will in no way tolerate immoral living in any form (Ephesians 5:5). Students found acting in a manner that would bring discredit to the Kingdom of God and/or Mount Hope Leadership School will be disciplined, even to the extent of expulsion from the school. To appeal a decision, see the appeals section on the next page.

Disciplinary Actions

Step One: In a spirit of love and concern, individuals who appear to be out of step with community expectations should first be counseled by those aware of the problem. This should be "one-on-one" sharing motivated by love and redemptive in nature.

Step Two: In the event that such counsel should prove unsatisfactory, those aware of the problem should make it known to the Administrator. The Administrator may include the student's coach or mentor to counsel with the student to seek a resolution of the problem. The student will be advised in writing regarding the agreement reached.

Step Three: Should the desired result not be achieved, the Administrator will bring the situation to the Dean. The student will be advised in writing of the concerns and asked to appear before the Administrator and Dean for discussion of the concerns. The Dean and the Administrator may make any of the following decisions:

- Dismissal of charge.
- Conduct a warning: The student will sign an agreement that specifies the unacceptable behavior, the expected behavior, and that the student is willing to comply with the expectations.
- Disciplinary suspension: The student may be suspended from Mount Hope Leadership School. Absence from class at this time is unexcused.
- Disciplinary Dismissal: In severe situations, the student may be immediately dismissed from Mount Hope Leadership School. The student forfeits all privileges and is not eligible for re-admission for one full year. Students dismissed for disciplinary reasons are subject to re-application requirements.

Appeals

Throughout the entire discipline process, the student has the right to appeal. All appeals of action are to be made in writing to the Administrative Office within 48 hours of the disciplinary action specifying the basis for the appeal. The Administrator shall be responsible for expediting and coordinating the appeal process, which includes a meeting with the Administrator, one faculty member of the student's choice, and one member of the student body. Should the appeal be granted, a plan of action will be determined and agreed upon. Should the original disciplinary decision stand, it will be carried through accordingly.

Student Grievances

Any student with a grievance related to Mount Hope Leadership School is encouraged to communicate with the administration of the school so that the grievance can be expediently remedied. Students must submit grievances in writing to the Mount Hope Leadership School office. A special committee comprised of the Administrator, one faculty member, and one student will review the grievance and make a decision within three school days. The student will be mailed written notification of the committee's decision within 24 hours. Situations calling for the modification to existing policy will be submitted to the Dean and the Official Church Board for ratification. Students may appeal a decision.

Graduation Requirements

1. In order to graduate with a Diploma in Leadership Studies, students must fulfill the following requirements:
2. Successfully complete all courses and assignments with a minimum grade point average of 2.0
3. Have fully met all financial obligations to Mount Hope Leadership School
4. Give evidence of a life of holiness and true Christian character.
5. Submit an application for graduation to the Administrative Office by February 1 of the student's graduating year.
6. Complete a graduate survey proving vital feedback to the administration on how the program can be strengthened and improved.

Ministry Credentials

If a student desires to pursue credentials with the General Council of the Assemblies of God, they will need to follow the process outlined by the Michigan District of the Assemblies of God. Visit www.aogmi.org and check out Training/Ministry Credentials for requirements, procedures, and deadlines. Mount Hope Leadership School will provide the educational requirements students need, but credentials are recommended to the General Council of the Assemblies of God through the Michigan District. The General Council is the approving and ratifying body for ministry credentials. If you have questions after looking over the requirements, procedures, and deadlines, contact the Administrator of Mount Hope Leadership School.

Dress Standards

Please keep in mind that we are representatives of Jesus and Mount Hope Church wherever we go. Because of this, we ask you to dress in a way that is tasteful and avoids negative associations. In regards to your appearance and dress, we ask that you would be neat, clean, and tasteful. Style or personal taste is welcome; although, at no time should it be distracting or misleading the minds of anyone around you.

Classroom Attire: includes class projects and any scheduled or regular part of Mount Hope Leadership School

- Casual dress, such as jeans, nicer t-shirts and sweatshirts are appropriate, but please follow the standards listed below.
- You should know in advance if there is an activity or ministry which will require a change of clothes, so please come prepared.

Ministry Attire: includes any Mount Hope Church ministry or activities and special events

- *Sunday Services:* please look sharp, neat, and clean. Looking your best sets a clear example to new believers. Pants, jeans or skirts are appropriate. A belt may be required if pants/jeans do not stay on waist.
- *Class times:* casual dress is appropriate. Jeans and t-shirts are acceptable. While ministering and attending special activities, we will be sensitive to the setting and dress appropriately. You will be notified when a certain dress code is needed, but please be flexible and have dressy casual and dress clothes ready in case a quick change of plans were necessary. It is always better to overdress when going to a special event, and always best to dress conservatively when unsure. Ladies, some occasions may require a nice dress and shoes. Men, a tie could be required. Nice dress shoes are to be worn with dress pants or skirts/dresses. Again, we will let you know when dress code changes are necessary.

Pants/Slacks: Staff and students may not wear shorts in the building at any time. If there is an activity or event where shorts would be appropriate, you will be informed ahead of time. Any shorts must be at least finger-tip length. Jeans and pants are acceptable as long as they are clean and without holes. Any jeans, pants, or skirts that are extremely tight are never appropriate and attract the wrong kind of attention. Men, please wear a belt. Women may wear skirts that come within a couple inches of the knees, are tasteful, and not too tight.

Shirts/Blouses: Appropriate t-shirts may be worn (without advertisement of non-christian music, habits or entertainment). Also, no sleeveless or tank tops should be worn at any time without a sweater or shirt over them. Leadership School dress standard does not allow for shirts that expose part of the stomach or back, pants that fail to cover the top of undergarments or are extremely low cut, or any other item of clothing that would bring excessive attention to any private part of the body. Please refrain from tighter shirts, especially when doing ministry at Church or in the community.

Footwear: Sandals are acceptable as long as they are clean. Please, be sure that you have proper shoes if a change of clothes is needed. If you are dressing up, dress shoes are necessary. Be sure to keep your shoes clean and in good condition.

Clothes in General: Clothing should be ironed and in good condition. We will hold each other accountable. When choosing your clothing, use your discretion, but the school Administration has the right to ask any student to change into more appropriate clothing, if the need arises.
